# Welcome!

Once again we welcome you to our great martial arts camp in beautiful Bergen of Norway. Feel free to join us for a great weekend!

The camp is arranged by Bushido Kampsportsenter & Bergen Vest Kampsportklubb, in cooperation with World Federation of Ju-Jitsu. Other co-working organisations are also represented.

## Why attend our camp?

You will be welcomed by world-class instructors and get the chance to work out and learn loads of practical material, to bring your progress to the next level. Several different countries are represented with many different clubs and styles. You'll have many new friends to meet - everybody with different backgrounds and different skill sets.

There will be great training sessions in different styles and for different levels - you can "shop" between all styles that are being represented at the camp. The instructors definitely will make sure you'll get excellent training, even if you are a beginner or an expert!
